Meteor Minutes with Mrs. Moyer

October 2022

Exciting things are happening!

School is off to the races and the month of October brings lots of excitement to Choconut Valley. As you will see below, there is a lot of information and events coming up. As always, please don't ever hesitate to reach out if you have any questions/concerns. I hope that the start of the year is going well for you and your family and everyone is settling into new classrooms and routines for the school year.

September was a great month. The week of September 6 - September 9 brought Expectations Week to Choconut Valley. During this week we went over our "Be a Mighty Meteor" posters in each location in the building, including the school bus. Students relearned what expectations are for all settings of the school and bus. On Friday of that week we held a PBIS Kick-Off Assembly to go over our Meteor Motto, discuss what it means to be a Mighty Meteor, and to review our school expectations: Be Safe, Be Respectful, and Be Responsible. Our character trait for the month of September is Responsibility.

CVYAA Soccer program wrapped up and held the Soccer Party this past week. Fall Baseball and Softball are wrapping up as well. MJF is well underway. Our sponsored Dance Program through the Art of Dance with Miss Judy is up and running for the year too. I'm proud of how hard our students work in the classroom and in the different opportunities for them to be involved in school and our community.

There is a lot coming up in the month of October (I'm getting this out late, admittedly, so some of these events are now behind us). I can't wait to share more out with you in a few weeks for what November will be bringing us too. October: Fire prevention, assemblies, 50th birthday celebration for CVES, Red Ribbon Week, Unity Day, PHEW! It sure feels good to be able to have all of these different events again after the last few years. November will bring Parent/Teacher Conferences, so watch for some information regarding that here in a couple of weeks.

We hope to see you at our annual Title I Family Night on Wednesday October 19th from 5:15-7:00 PM. This event will provide FREE dinner for families and childcare for children ages 4 and up. We will have supervision for children to do some activities/watch a movie after the family dinner while parents/families can attend informational sessions about the various programs and communication options we offer as a district. It is going to be really beneficial information about things such as Big Ideas Math Curriculum, i-Ready, FOCUS Parent Portal, Remind Parent Communication App, and more! You do need to pre-register for this event. You can do so by calling the office at 570-278-7300 or online at:

**Congratulations to our Students of the Month for
September 2022:**

Congratulations to our September Students of the Month! This year, our Students of the Month are centered around a character trait each month. For the month of September our focus is on

Responsibility. We are proud to recognize the following students who have been selected for both meeting and exceeding our schoolwide expectations, as well as demonstrating specifically what it means to be responsible as a Mighty Meteor.

September Students of the Month:

Kindergarten- Dominic Rebello

First Grade- Wyatt West

Second Grade- Dahlia Estrada

Third Grade- Skylar Peck

Fourth Grade- Emma Darrah

Fifth Grade- Ava Spolar

Sixth Grade- Brielle Rebello

Looking Ahead:

Food Pantry - - - Tuesday, October 18th from 3:30 - 5:30 PM

Ending Childhood Hunger in your community.

Enjoy the City Books

Friday, October 14

Mid-Marking for Trimester 1 for
Grades K-2

Friday, November 4

Last Day of Marking Period 1
for Grades 3-12

Thursday, December 1

Last Day of Trimester 1 for
Grades K-2

CVYAA/PTO

October Newsletter

Choconut Valley turns 50! (A little late)

We will be unearthing the contents of the time capsule from Fall of 1996 with students on Friday 10/21. To celebrate, students are invited to wear something to celebrate either the theme "birthday" or the theme "golden anniversary"/wear gold. Teachers/Classrooms are currently working on items to be put into a new time capsule to be opened at the 75th anniversary in 2046!

We will have historical items from Choconut Valley set up to be viewed during our Big Ideas Family Night (10/19) and our Halloween Event (10/29).

FREE CLOTHES!

During our Annual Title I/Big Ideas Math Family Night on October 19th, in addition to free food/dinner for families and the activities for kids, we will also have tables set up with free clothes, separated by sizes, that were donated by Plato's Closet and Once Upon A Child in Vestal. We hope you will come out for this event and can get clothes as well to be used for your family. Thank you to Plato's Closet and Once Upon A Child for this generous donation! Thank you to Mrs. Irene Ackley for taking the time to separate clothes by size to make it easier on families to look through and for arranging this.

INTERACTIVE NEWSLETTER

Please continue to check our new website as we get more resources up for our families and know that I will try to get this newsletter out the first week of each month as we move forward in the school year. With that being said, these newsletters will automatically update as things may pop up throughout the month that I am not able to include when I initially send out the newsletter at the beginning of the month. If you check back to the same link (or soon you will be able to view it on the website), it will take you right to the updated version of the newsletter if I have added more content as the month goes.

Check out our new website!

Use buttons to direct readers to different pages, Google Drive files or any other URL. Buttons are great for the important things you want people to click on.
