# Meteor Minutes with Mrs. Moyer

## January 2023

### January- A fresh start

December was a whirlwind of Holiday magic, festivities, and events. Our Mobile Dentist was here at the beginning of the month. We held Santa Shop and the joy that students experienced shopping and planning to shop was amazing. Students were so excited to go check out what was in the shop and get things for people at home. A huge thanks goes out to our PTO and all of our parent volunteers who helped to plan, purchase, set up/tear down, and coordinate this project. Santa Night was a hit on December 8th with crafts, activities, snacks, Santa Shop, pictures with Santa, and a story to end the night.

Mr. Welch and Mr. Bottger put on our Holiday Band and Chorus Concert on December 21st. What a fantastic event. Thank you to everyone who joined us to share and see what the kids have been working on. It meant so much to see you all there. I know that there were some struggles with parking, and we are already brainstorming for next year how to make some adjustments.

A huge thanks to Mrs. Burchill, The crew of the Morning Show, Ms. Rosenkrans, and Mrs. Maynard for all of the hard work that went into the Live Morning Show on December 19th which included the Reindeer Games and Wheel of Wow! The Morning Show did a great job with their announcements and part of the program. Reindeer Games involved the grade levels coming up to compete in games and challenges. Students were drawn to spin the Wheel of Wow and win prizes. It was a great event and students had a fantastic time.

Our Lunch/Recess Supervisors put together a decorated holiday luncheon for students before the break. A huge thanks to them for their hard work getting everything together. Students got to enjoy a meal by candlelight and enjoy Christmas music as they ate. It was a huge hit!

5th and 6th grade Boys and Girls Travel Basketball is up and running as well as youth wrestling. We wish them the best of luck this season and are looking forward to watching and hearing about their games/progress. 3rd Grade archery has wrapped up. 4-6th grade archery will continue into the new year as they prepare for Penn State coming up at the end of March. Practices are now on Tuesday's and Thursday's. Papers came home before the break for Saturday Morning Hoops and there is a link to that flyer below as well.

Looking ahead, there is no school on Monday, January 16th for Martin Luther King Jr. Day. We have a CVYAA/PTO Meeting scheduled for Thursday, January 12th at 7:00 PM in the Library. Our Food Pantry pick up is on Tuesday, January 17th from 3:30-5:30 PM.

If you have any questions/concerns, please don't hesitate to reach out. I am sending you wishes for a safe, healthy, and prosperous 2023 and hope you had a wonderful holiday!

Sincerely,  
Mrs. Moyer

## INTERACTIVE NEWSLETTER

Please continue to check our new website as we get more resources up for our families and know that I will try to get this newsletter out the first week of each month as we move forward in the school year. If you check back to the same link (or soon you will be able to view it on the website), it will take you right to the updated version of the newsletter if I have added more content as the month goes.
