Meteor Minutes with Mrs. Moyer

December 2022

December- A month of Giving

November, so much to be thankful for and such a busy month! We held a Transportation Assembly for students. Mrs. McCain helped to arrange for the presenters to come, helped to coordinate our assembly, and got safety wristbands for students to remember what they had learned. Keri Kline from the Northeast Highway Safety Program out of Luzerne County came with another presenter to share with our students the Roll Into Safety Program. This includes Bus Safety, bike/helmet safety, and seatbelt safety. Bus safety is incredibly important and we hope that this served as a meaningful reminder for our students.

Our school is taking part in the Robo Readers program put on by the Wilkes-Barre/Scranton Penguins Hockey team. Students who read 10 books or got 10 AR points from September 26th- November 11th earned a free hockey ticket to the home game on December 3rd. I'm so proud of our students, almost ALL of them earned a free hockey ticket! Way to go readers!

We held Parent/Teacher conferences on Thursday, November 10th and Friday, November 11th. PTO held a Scholastic Book Fair on the same week for students and families. Report cards went home for grades 3-6. Our Straight A students will receive a gift certificate for a free slice of pizza at the Pump-N-Pantry. Thank you to Pump-N-Pantry and Wade Robinson for setting this up for our students.

Thanks to Mrs. Weaver and Mrs. Meehan, as well as our students and their families for submitting ribbons to hang on our Wall of Honor throughout the month of November to honor Veterans. We are looking forward to planning some type of in person event for next year.

We had our first quarterly reward for our PBIS incentive on Wednesday November 23rd for some and Friday November 18th for others. Our school wide incentive was an Ice Cream Party complete with the choice of ice cream flavor, syrup, sprinkles, and whipped cream. YUM! Students were so excited to select the type of ice cream and their toppings. We reinforced expectations for our PBIS program and congratulated students who earned their reward.

For the month of December, our Mobile Dentist will be here on Friday, December 2nd. We have Santa Shop next week: December 7th and 8th. We are hosting Santa Night sponsored by the PTO on December 8th. Crafts and activities are part of that evening and we are greatly looking forward to this event. We also have our Holiday Chorus Concert coming back this year under the direction and planning of Mr. Welch. The kids have been singing and practicing and can't wait to put on their performance on December 21st before break.

Our clubs: Manic Monday, Wacky Wednesday, 5th Grade Computer Club and 6th Grade Computer Club are all wrapped up now. Thanks to Mr. Soden for running our new Computer Club for 5th and 6th Graders. The experiences and projects they were working on were engaging and the students had a blast. Thanks to Mrs. Springsteen and our amazing staff members who planned and helped coordinate everything for Manic Monday and Wacky Wednesday. We had many students who took advantage of these programs and who truly enjoyed all of the different activities and opportunities available because of these clubs.

5th and 6th grade Boys and Girls Travel Basketball is up and running as well as youth wrestling. We wish them the best of luck this season and are looking forward to watching and hearing about their games/progress. 3rd Grade archery will wrap up on Tuesday, December 20th. 4-6th grade archery will continue into the new year as they prepare for Penn State coming up at the end of March. Papers will be coming home later this month with a sign up for Saturday Morning Hoops for grades K-6.

If you have any questions/concerns, please don't hesitate to reach out. I am sending you wishes for a great December, a very Merry Christmas, happy holiday season, and a safe, healthy, and prosperous 2023! See you in the New Year.

Sincerely,
Mrs. Moyer

Colder Temperature Weather- From Mrs. Lunger

Congratulations to our Students of the Month for November 2022:

Congratulations to our November Students of the Month! This year, our Students of the Month are centered around a character trait each month. For the month of November, we focused on Kindness. We are proud to recognize the following students who have been selected for both meeting and exceeding our schoolwide expectations, as well as demonstrating what it means to be kind as a Mighty Meteor.

November Students of the Month:

Kindergarten- Ella Brant

First Grade- Harper Tyler

Second Grade- Odin Slofkosky

Third Grade- Andreas Carpenter

Fourth Grade- Charlotte Springsteen

Fifth Grade- William Scarcelli

Sixth Grade- Willow Williams

Congratulations to our November Kiwanis Students of the Month: Dominic Rebello and Jinnalee Bush. Thank you to the Montrose Area Kiwanis Club for sponsoring the recognition of two students at each grade level K-6 throughout the year. November was our first grade level to be recognized: Kindergarten. These students were chosen for being all around good citizens in and out of the classroom. Great work Dominic and Jinnalee!

September Students of the Month

Front- From Left to Right

First Grade- Wyatt West

Kindergarten- Dominic Rebello

Second Grade- Dahlia Estrada

Fourth Grade- Emma Darrah

Back- From Left to Right

Third Grade- Skylar Peck

Sixth Grade- Brielle Rebello

October Students of the Month

Front- From Left to Right

Kindergarten- Alyssa Hackel

First Grade- Grayson Little

Third Grade- Zoey Allen

Second Grade- Addison Abbott

Back- From Left to Right

INTERACTIVE NEWSLETTER

Please continue to check our new website as we get more resources up for our families and know that I will try to get this newsletter out the first week of each month as we move forward in the school year. With that being said, these newsletters will automatically update as things may pop up throughout the month that I am not able to include when I initially send out the newsletter at the beginning of the month. If you check back to the same link (or soon you will be able to view it on the website), it will take you right to the updated version of the newsletter if I have added more content as the month goes.

Check out our new website!

Use buttons to direct readers to different pages, Google Drive files or any other URL. Buttons are great for the important things you want people to click on.
